

Welcome to Fresh! Cafe

What started as a community project is now our space opened by a team of volunteers. For three and a half weeks, we worked moving equipment, pressure washing, painting and receiving donations to reopen this space.

Thank you for joining us! Find us on Facebook as **Fresh Cafe & Events Center**.

Our space is open to many groups and activities, so please do let us know if you'd like to host an event, shower or even a wedding! *(Our owner is an interfaith minister and is available to officiate your event ♥)*

We call our place The Cafe That Love Built. There is something very special about this place. We hope you enjoy it as much as we do!
